A. Board Continuance: The Board may, at any time, on its own discretion, continue the hearing of any petition. On its own motion, the Board may determine if renotification of interested property owners shall be required if a petition is continued at a hearing for which proper notice was given by petitioner in compliance with the notice requirements of Article IV hereof.

B. Automatic Continuance: Each party (petitioner(s) and remonstrator(s)) shall be granted one automatic continuance by the Administrator, provided the continuance request meets the following:

- (1) The continuance request must be the first request for continuance by that party.
- (2) The continuance request must be made in writing and filed by 5:00 pm EST on the fifth calendar day ~~no less than five calendar days~~ prior to the day of the scheduled hearing.
- (3) The continuance request shall be for the same Division of the Board as originally scheduled.
- (4) The continuance request shall include the new date of the hearing, ~~which~~ that shall be for the next regularly scheduled meeting of the Division, ~~which~~ that is at least three weeks later than the scheduled hearing.
- (5) The party requesting the continuance shall give notice to all parties required to be served notice by Article IV hereof and to attorneys or agents who have entered their appearance or are known by the party requesting the continuance to represent petitioner(s) or remonstrator(s).
- (6) However, registered neighborhood organizations and City-County Councillors shall be required to give notice only to attorneys, agents, petitioners, and individuals who have signed a remonstrators of record form in the petition file.
- (7) If the continuance is granted to a date other than requested in the written request, the party requesting the date change shall notify all parties entitled to receive the notice of the date to which the hearing has been continued and shall file a copy of such notice with the Administrator.
- (8) An affidavit of notice shall be submitted to the Administrator at the time the continuance request is filed.
- (9) An automatic continuance request cannot be withdrawn after being file-stamped and accepted by the office of the Administrator.

C. Continuance for Cause: All other continuances shall be considered a continuance for cause, ~~which~~ that may be granted by the Board at the hearing. If both the petitioner(s) and remonstrator(s) do not agree to a continuance for cause, the Board shall base its decision to grant or not to grant the request on testimony from both parties at the hearing. At the hearing, written requests for continuance shall be considered prior to verbal requests for continuance.

9. **MOTION TO DISMISS** - In order for a remonstrator's "motion to dismiss" to be considered by the Board, said motion must be filed with the Administrator, and a copy served upon petitioner or designated agent, no later than the Thursday before the date of the scheduled hearing. Failure to comply with this provision shall result in summary dismissal of the "motion to dismiss" by the Board.

10. TIME ALLOWED AND PROCEDURE FOR HEARING OF PETITIONS – Petitioners and remonstrators, respectively, shall be permitted a total of twenty (20) minutes each for presentation of evidence, statements and arguments at the public hearing of every petition before the Board, as follows:

- A. **Petitioners and persons appearing in support** of the petition being heard by the Board shall first have fifteen (15) minutes for the presentation of evidence, statements, and arguments in support of the matter being considered.

A reasonable additional time shall then be allowed by the Board for cross-examination and redirect examination of petitioner's witnesses.

- B. **Remonstrators and persons appearing in opposition** to the petition shall then have fifteen (15) minutes for the presentation of evidence, statements and arguments in opposition to the matter being considered.

A reasonable additional time shall then be allowed by the Board for cross-examination and redirect examination of remonstrators' witnesses.

- C. **Any member of the City-County Council** shall be allowed a reasonable additional time to provide testimony regarding a petition.

- D. The **Administrator in person, by agent or by attorney** shall be given a reasonable time by the Board for the presentation of evidence, statements, and arguments in support of, or in opposition to, the matter being considered.

- E. The petitioner shall then have five (5) minutes for **rebuttal**, ~~which that~~ shall include only evidence, statements and arguments in rebuttal of remonstrators' or the Administrator's evidence and a brief closing statement.

- F. Remonstrators and persons appearing in opposition to the petition shall then have five (5) minutes for **rebuttal**, ~~which that~~ shall include only evidence, statements and arguments in rebuttal of petitioner's rebuttal evidence or the Administrator's evidence and a brief closing statement.

- G. A reasonable additional time may be allowed for any member of the City-County Council to provide rebuttal testimony.

- H. Neither petitioners nor remonstrators shall be permitted to reserve for rebuttal any time not used during their initial presentations.

The Chairman shall have the authority to cut off repetitious and irrelevant testimony and shall, unless otherwise directed by a majority of the Board in session at that time, have authority to extend the total twenty (20) minute periods specified above, when it is appropriate in the interest of affording to all interested parties a fair hearing.

11. ORDERLY CONDUCT REQUIRED - Every person appearing before the Board shall abide by the order and direction of the Board's presiding officer. Discourteous, disorderly or contemptuous conduct shall be regarded as a breach of the privileges extended by the Board and shall be dealt with as the presiding officer deems fair and proper.

12. CONTACTING ANY BOARD MEMBER REGARDING PENDING PETITION PROHIBITED; ADMINISTRATOR'S WRITTEN STATEMENT OF FACTS OF OPINION TO BE FILED NOT LESS THAN FIVE (5) CALENDAR DAYS PRIOR TO THE HEARING - No person shall contact any members of the Board orally, or in writing, in advance of a public hearing, on a petition then pending for decision with intent to influence such person's action on such petition,

except that the Administrator, or member(s) of the Division staff, shall file not less than five (5) calendar days prior to any proposed hearing of any Division of the Board, a statement, in writing, stating any facts or opinion ~~which~~ that is desired to be set forth with respect to such petition. A copy of such statement shall be furnished to all persons shown of record. However, nothing herein shall prohibit any interested party from requesting a continuance, in writing, as provided for by these rules.

13. NO DECISION OR FINDING UNLESS BASED UPON FACTS IN PERMANENT RECORDS

AND/OR WRITTEN STATEMENT FILED BY THE ADMINISTRATOR - No decision or finding of the Board shall be made unless it is based upon facts submitted at a hearing and made a part of the permanent record and/or such written statement filed by the Administrator, the Administrator's agent or the Administrator's attorney. Provided, however, nothing herein contained shall deny the right of the Board members to inspect land involved in any petition to be heard by the Board.

14. DISQUALIFICATION OF BOARD MEMBERS IN CASE OF PERSONAL OR FINANCIAL

INTEREST - A member of a Division of the Board who has some personal or direct or indirect financial interest in any petition presented to that Division shall disqualify himself or herself insofar as a member of that Division during the hearing of the particular petition, and shall not participate as a Board member in that Division's hearing, findings of fact or decision in such petition. The member disqualifying himself or herself shall do so before the petition is heard and shall leave the room where the hearing is to occur while the testimony relating to the petition is in progress. The record of the particular petition concerned shall note any such disqualification.

15. AMENDMENTS TO ANY PETITION - Requests to amend any petition may be filed in writing prior to or at the beginning of any hearing, or made orally at the hearing. Any remonstrators present shall have the right to be heard on any objections they may have to such proposed amendment. It shall be within the discretion of the Board to grant or deny requests for amendments and to require renotification in compliance with Article IV.

Provided, however, any proposed amendment to modify additional standards or regulations of the applicable ordinance(s) shall be redocketed and readvertised and the petitioner shall pay an additional filing fee.

16. AMENDMENTS AND SUPPLEMENTS TO SUPPORTING DOCUMENTS - Requests to amend or supplement supporting documents to any petition, including revised site plan, revised elevations, proposed commitments and conditions, must be filed no later than the Monday of the week prior to the week of the scheduled hearing. If supporting documents are amended or supplemented between the Monday of the week prior to the week of the scheduled hearing and the beginning of the hearing, or at the hearing, it shall be within the discretion of the Board to continue the petition. In making this determination, consideration shall be given to whether or not the staff and any remonstrators have had sufficient time to adequately review these new supporting documents.

17. ALL TESTIMONY UNDER OATH - All testimony before the Board shall be given under oath or affirmation, ~~which~~ that shall be administered by some person qualified to administer oaths.

18. MINUTES AND RECORD OF HEARING - Each Division of the Board shall keep minutes of its proceedings, investigations and other official actions and in all petitions heard by it; and shall record the vote on all actions taken. A verbatim recording or stenography or stenotype record, shall be made of all hearings of the Board, and shall remain on file in the offices of the Board. All minutes and records shall be in the offices of the Board and shall be public records.

Copies of such verbatim record of any hearing may be ordered by any party. The cost thereof shall be paid by the party ordering such copy or copies.

19. BALLOT VOTES - In all petitions heard by the Board, the Board's vote shall be by ballot. All such ballots shall remain on file in the offices of the Board and shall be public records.

20. EXHIBITS - All exhibits presented at the hearing, whether submitted by petitioner or remonstrator, shall be given an exhibit number. Parties presenting exhibits at the hearing shall make a copy available to the opposing party and make a copy available to the Administrator.

All exhibits shall be retained in the files of the Board for a period of six (6) months after the date of the hearing. At the end of six (6) months after the date of the hearing, such exhibits may be claimed and withdrawn by the persons submitting the same, except for commitments submitted by petitioner. At the end of such six (6) month period following the date of the hearing, the Administrator may dispose of any such exhibits that have not been claimed by the party filing the same and which are not a necessary part of any commitments, in whatever manner the Administrator may deem expedient.

ARTICLE VI - FINAL DISPOSITION OF PETITIONS

1. DISMISSAL OF PETITIONS - The Board may dismiss a petition for want of prosecution or for lack of jurisdiction.

Any petition ~~which~~ that has been dismissed by the Board for want of prosecution shall not again be filed for consideration by the Board within a period of three (3) months from the date of the dismissal, unless the same Division of the Board grants an approval petition to permit a refiling of the petition.

2. WITHDRAWAL OF PETITIONS - No petition may be withdrawn by the petitioner after that petition has been called for hearing, and testimony has begun. However, a companion petition that has been filed on the same property and docketed for the same hearing may be withdrawn after a hearing has begun. (Petitions also may be amended as provided for in Article V, Section 15 after a hearing has begun.)

No petition ~~which~~ that has been withdrawn by the petitioner shall again be filed for consideration by the Board within a period of three (3) months from the date of said withdrawal, unless the same Division of the Board grants an approval petition to permit a refiling of the petition.

3. REILING FOLLOWING ADVERSE DECISION

A. Subject to the provisions of subparagraph (c), no parcel of ground, or part of a parcel, ~~which~~ that has been the subject of an **adverse use variance decision or adverse rezoning decision** shall again be included in a variance of use petition filed within a period of twelve (12) months from the date of either the adverse decision of a Division of the Board, or the adverse decision of the Metropolitan Development Commission, or the adverse decision of the City-County Council, unless the body ~~which~~ that previously denied the petition decides, by a majority vote of all members present, to allow a refiling within the twelve (12) month period. A Division of the Board may allow such refiling only upon the granting of an approval petition filed and considered pursuant to these Rules of Procedure.

B. Subject to the provisions of subparagraph (c), no parcel of ground, or part of a parcel, ~~which~~ that has been the subject of an **adverse special exception or development standards variance decision** shall again be included in a special exception or a development standards variance petition filed within a period of twelve (12) months from the date of either the adverse decision by a Division of the Board or the adverse decision of the Metropolitan Development Commission, unless the body ~~which~~ that previously denied the petition decides, by a majority vote of all members present, to allow a refiling within the twelve (12) month period. A Division

of the Board may allow such refiling only upon the granting of an approval petition filed and considered pursuant to these Rules of Procedure.

- C. Notwithstanding the provisions of subparagraphs (a) and (b) of this Article, no variance or special exception petition ~~which~~ that has been the subject of a prior denial by any Division of the Board or the Metropolitan Development Commission shall be granted except upon adoption of an additional finding that a **substantial change** in the particular circumstances ~~which~~ that induced the prior denial has occurred.

It shall be the duty of the petitioner to prepare and submit, at the time of filing, a detailed written finding of fact reflecting this substantial change in circumstances.

- D. No parcel of ground, or part of a parcel, ~~which~~ that has been the subject of an **adverse approval or modification petition decision** shall again be included in an approval or modification petition filed within a period of three (3) months from the date of an adverse decision by the Board, unless the body ~~which~~ that previously denied the petition decides, by a majority vote of all members present, to allow a refiling within the three (3) month period.

4. **NOTICE OF BOARD'S DECISION** - Within five (5) business days after granting an administrative appeal, a special exception, an approval, a modification or a variance from the terms of the zoning ordinance, the Board shall file with the Administrator a copy of its decision. However, if a representative of the Administrator appears at the hearing granting an administrative appeal, a special exception, an approval or a variance from the terms of the zoning ordinance, then this appearance shall be considered notice to said Division of the Board's decision, and a copy of the decision need not be filed.

5. **LETTER OF GRANT OR DENIAL** - Following the Board's action on an administrative appeal, a special exception, an approval or a variance petition, the Administrator shall notify the petitioner of the Board's decision by sending the petitioner a letter of grant or denial ~~which~~ that shall include, if a letter of grant, all conditions imposed by the Board.

A letter of grant ~~will~~ shall not be sent until any commitments required by the Board are submitted and are properly executed and recorded.

6. **CONDITIONS AND COMMITMENTS - AFFIDAVIT OF COMPLIANCE**

- A. **Conditions Imposed By Board - Affidavit Of Compliance** – Whenever the decision of the Board is conditioned upon petitioner's compliance with a requirement imposed by the Board concerning construction or site development (e.g., installation of landscaping, fencing, paving, curb stops or any comparable requirement) and such condition is recited in the letter of grant, petitioner shall be required to notify the Board of the timely fulfillment of such requirement by filing an affidavit of compliance in the offices of the Board. If the time for fulfillment of the condition is stated in the Board's decision, such affidavit shall be filed within thirty (30) calendar days after the time allowed for fulfillment. If the time for fulfillment is not stated in the Board's decision, the affidavit shall be filed within thirty (30) calendar days after the commencement of the use or completion of construction authorized by the Board's decision, whichever is earlier.

Failure to comply with any conditions imposed by the Board shall constitute a violation enforceable by governmental authority pursuant to the provisions of I.C. 36-7-4-1014.

- B. **Commitments - Records** - If deemed advisable, the Board may require or permit the petitioner to make written commitments concerning the use or development of the subject property.

The commitments shall be reduced to writing in recordable form and signed by the owner(s) of the real estate. The commitments shall authorize their recording by the Administrator in the office of the Recorder of Marion County, Indiana, upon the grant of the variance, special exception, modification, or approval petition by the Board. Following the recording of the commitments, the Administrator shall return the original recorded commitments to petitioner and shall retain a copy of the recorded commitments in its file.

The commitments shall be in substantially the form set forth in Exhibit "A" of these Rules of Procedure.

The Board may require in such commitment the designation of any specially affected persons or categories of specially affected persons, who (in addition to persons entitled to receive notice of the hearing under Article IV, Section B) shall be entitled to enforcement thereof pursuant to I.C. 36-7-4-1015.

The commitments may be modified or terminated by a decision of that same Division of the Board made at public hearing pursuant to an approval petition filed and considered pursuant to these Rules of Procedure. Any modification or termination of the commitments approved by the Board shall not be in full force and effect until reduced to writing by the present owner(s) of the real estate, approved by the Board, and recorded in the office of the Recorder of Marion County, Indiana.

The modification or termination shall be in substantially the form set forth in Exhibit "B" of these Rules of Procedure.

C. Administrator's Approval - In those petitions where a decision of the Board is conditioned upon the petitioner's compliance with a requirement imposed by the Board concerning construction and site development, or where the Board requires or permits the petitioner to make written commitments concerning the use or development of the subject property and the requirement or written commitment stipulates the review and approval of final plan by the Administrator, the Administrator shall have the following authority and shall follow the following procedures in the review process:

- (1) Administrator's approval of final plans shall be obtained prior to applying for an Improvement Location Permit. It is suggested that the Administrator should be consulted early in the design stage of the project in order that any needed changes can easily be incorporated in to final plans. (This suggestion is not to be interpreted as a requirement for approval.)
- (2) The scope of review of the final plan by the Administrator may include, but not be limited to, one or more of the following development aspects:
 - (a) site layout;
 - (b) building location, configuration and design;
 - (c) parking location and configuration;
 - (d) interior traffic flow;
 - (e) ingress and egress to the development;
 - (f) sign location, size and design;
 - (g) extent, placement and specifications for landscaping, fencing and screening; and
 - (h) an illumination or lighting plan.

- (3) In exercising discretion to approve or disapprove a final plan, the Administrator shall use the following standard:
- (a) If the condition or written commitment indicates that the applicable development aspects will comply with certain written standards (e.g., Architectural Graphics Standards) or a development example (e.g., a development project in existence in Marion County), the Administrator will be guided by the standard expressed by the written document of example.
 - (b) If a standard is not provided under a., the Administrator will be guided by the comments prepared and presented in the staff report, statements made at the hearing by the petitioner, remonstrators and other interested parties and comment made by decision-makers during the course of the hearing.
 - (c) If a standard is not provided under (a), and if comments and statements mentioned in (b), do not provide an adequate standard, the Administrator shall consider what is "good professional practice under the circumstances". In determining what is good professional practice under the circumstances, the Administrator will be guided by the characteristics of similar development of superior quality in Marion County.
- The standard applied by the Administrator is not confined to the standard that can be inferred from the development standards of the applicable zoning district and may include standards described in plan and/or testimony presented at the public hearing and agreed to in principal by the petitioner.
- (4) If the Administrator does not approve a plan submitted by the Petitioner, and no alternative plan acceptable to both parties can be agreed upon, the petitioner shall have the right to appeal such action of the Administrator. Such an appeal shall be filed as a petition for a modification of commitments to approve a specific development plan, an approval petition for an Administrative Appeal. This appeal must be filed within 23 days from the date of the denial or the approval.
- (5) The review fee for "Administrator's Approval" shall be assessed, and payment due, at the time of submittal ~~issuance of an Improvement Location Permit~~.

7. APPEAL PROCEDURE -

- A. Judicial Review by Certiorari** - Every decision of the Board shall be subject to review by certiorari, in accordance with Indiana Code 36-7-4. Such petition for certiorari shall be presented to the court within thirty (30) calendar days after the decision of the Board. The petitioner for certiorari shall pay the costs of preparation of the transcript of the hearing before the Board if the writ of certiorari calls for a transcript of evidence before said Board.
- B. Administrator's Appeal To The Commission** - The Administrator may appeal to the Metropolitan Development Commission any decision of the Board granting an administrative appeal, special exception, or variance from the terms of the zoning ordinance in accordance with Indiana Code 36-7-4-922.

The Administrator must file in the office of the Division of Planning of the Department of Metropolitan Development a notice of appeal within five (5) calendar days after the Division receives a copy of the decision if one is required, or if not, then five (5) calendar days after the Board has rendered its decision. The notice must certify that the decision raises a substantial

question of zoning policy appropriate for consideration by the Commission. The Commission shall hear the appeal at its next regular meeting held at least five (5) calendar days after the notice of appeal is filed.

Although persons other than the staff may not appeal a decision of a Board to the Metropolitan Development Commission, they may appear as interested parties in appeals under this Article. No public notice need be given of the hearing of an appeal, but the staff shall promptly mail notice of the subject of the appeal and date and place of the hearing to each adverse party and the petitioner. However, if the record of the Board shows more than three (3) proponents or three (3) remonstrators appeared, then the staff need mail notice only to the first three (3) remonstrators of each as disclosed by the record.

C. Appeals of Administrator's Decision - The Board, per IC 36-7-4-916 and IC 36-7-4-918.1, shall hear and determine appeals from and review:

- (1) any order, requirement, decision, or determination made by an administrative official, hearing officer, or staff member under the zoning ordinance;
- (2) any order, requirement, decision, or determination made by an administrative board or other body except the Metropolitan Development Commission in relation to the enforcement of the zoning ordinance; or,
- (3) any order, requirement, decision, or determination made by an administrative board or other body except the Metropolitan Development Commission in relation to the enforcement of an ordinance adopted under IC 36-7-4 requiring the procurement of an Improvement Location Permit. Any party of interest shall have the right to bring such action/determination before the Board through the filing of a Petition of Administrative Appeal. Any such appeal noted above shall be filed within sixty (60) calendar days of approval of, or denial of, said order, requirement, decision or determination. This section shall not apply to those appeals which, by the zoning ordinances, are delegated to the Metropolitan Development Commission for its review and determination.

ARTICLE VII - SUPPLEMENTAL REVIEW PROCESS

1. ESTABLISHMENT OF SUPPLEMENTAL REVIEW PROCESS - The Board of Zoning Appeals establishes a flexible procedure for more intense review and more complete presentation of major variance and special exception petitions permitted by I.C. 36-7-4-403.5. This procedure, called the Supplemental Review Process, generally applies to petitions that, because of development size or intensity, will have a significant effect on drainage ways, parks, roadways, or sewer systems. Under the Supplemental Review Process, not all petitions will follow exactly the same procedure but common elements of the Process include:

- A. Additional information about the effect of the development on infrastructure is requested from the petitioner.
- B. Review of the supplemental information is made by the Department of Metropolitan Development, Department of Parks and Recreation, and Department of Public Works.
- C. Interested persons and organizations in the community are notified about the petition.
- D. A coordination meeting led by Department of Metropolitan Development staff is conducted to discuss the petition with the petitioner, representatives of affected City Departments, interested persons and organizations in the community. Additional meetings may be held.

- E. The petition is then scheduled for hearing before the Board.
- F. The staff provides information that is more substantial to the Board at the time of presentation of the petition, including information about the effect of the proposed development on infrastructure adequacy.

2. GOAL OF SUPPLEMENTAL REVIEW PROCESS - The goal of the Supplemental Review Process is to allow the Board to make more informed decisions on the major petition that affect adequacy of drainage systems, parks, roadways, and sewer systems. This goal is accomplished by establishing a structured means for provision of more accurate and complete information about the impact of the proposed development on infrastructure and establishing meetings among interested parties so that this information can be shared and conflicts among competing interests can be identified and, if possible, resolved. The Supplemental Review Process shall not unreasonably burden the resources of petitioners or needlessly protract the petition process. City staff shall be reasonable in applying Supplemental Review Process requirements and attentive to meeting City response time deadlines established under the Process.

3. APPLICATION OF SUPPLEMENTAL REVIEW PROCESS - Petitions that meet the thresholds for the Supplemental Review Process will be the subject of a request by staff to be included in the Process. The petitioner is not required to participate in the Supplemental Review Process. However, petitions that meet Supplemental Review Process thresholds but do not participate in the Process, staff shall assume reasonable infrastructure impacts based on the most intense development allowed by the petition in analyzing the petition and shall point out in the staff comment that the petitioner has declined to participate in the Supplemental Review Process.

"Automatic" continuances, provided for under Article VI, Section 8, B, are not allowed, for either petitioner(s) or remonstrator(s), if the petition is being considered under the Supplemental Review Process.

A petitioner who agrees to participate in the Supplemental Review Process may, at any time, withdraw from the Process.

4. RULES FOR SUPPLEMENTAL REVIEW PROCESS - Procedural rules applying specifically to the Supplemental Review Process are hereby adopted by the Board and are found in a booklet entitled "Supplemental Review Process User Manual." This booklet provides detailed information about Supplemental Review Process requirements and operation. The Supplemental Review Process is governed by these Rules of Procedure and the "Supplemental Review Process User Manual." In case of a conflict, these Rules of Procedure control.

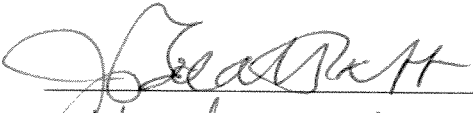

ARTICLE VIII - WAIVER OF RULES

Each Division of the Board shall have the right to waive the Rules of Procedure upon their own motion, or upon request of an interested party, for good cause shown. However, a waiver request can not be granted that would be inconsistent with Indiana Code.

ARTICLE IX - AMENDMENTS TO RULES OF PROCEDURE

Amendments to these Rules of Procedure may be initiated by the Board upon the affirmative vote of a majority of the members of all of the Divisions of the Board who are entitled to vote.

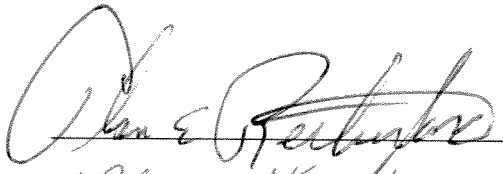

The foregoing RULES OF PROCEDURE OF THE METROPOLITAN BOARD OF ZONING APPEALS OF MARION COUNTY, INDIANA, are hereby adopted by the METROPOLITAN BOARD OF ZONING APPEALS OF MARION COUNTY, INDIANA, and applicable to matters and petitions initiated or filed on or after January 1, 2010.
